

# While Positive Reactions Far Outnumbered Negative Reactions, A Distinct Minority Were Bothered

*Open-ended: What was your reaction to receiving the text message? (Classified Response)*

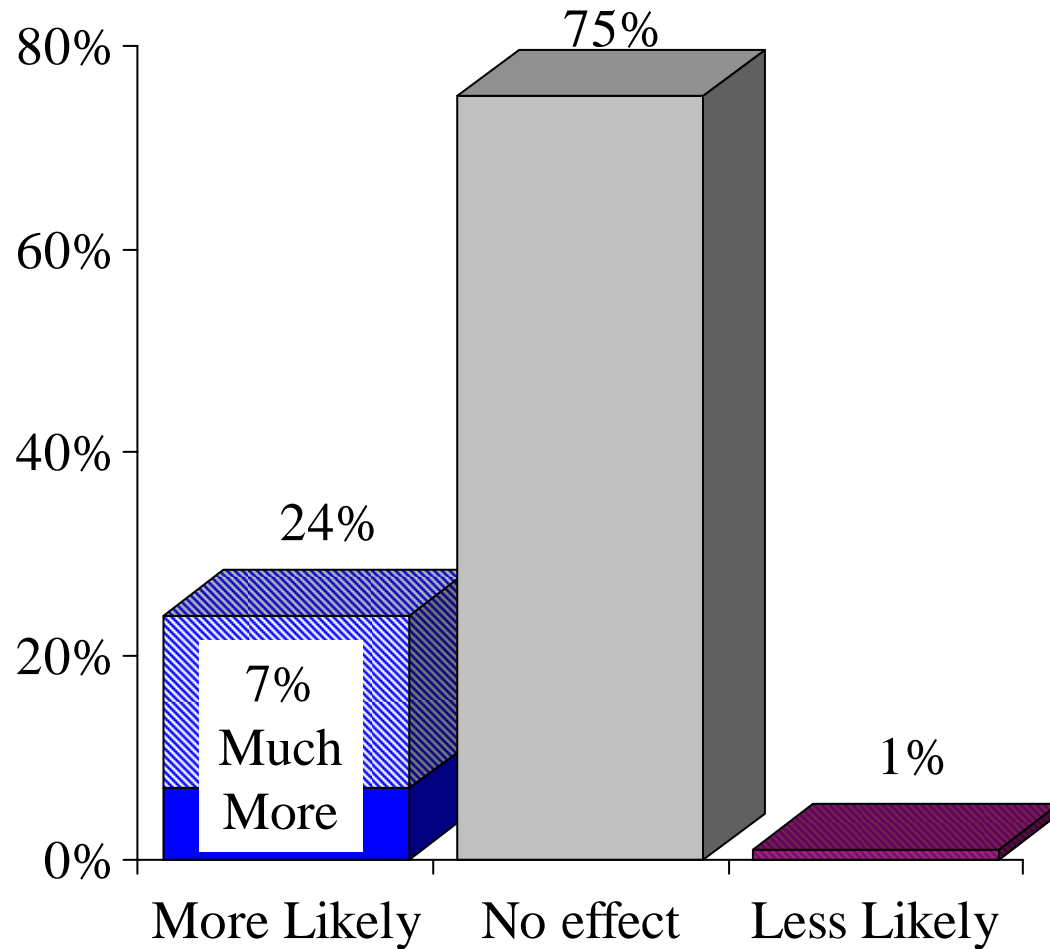

*Did you find the text message helpful or were you bothered by it?*

# However, This Small Backlash Did Not Deter People From Voting

*Did receiving the text message make you (much) more/less likely to vote?*

# Young People Preferred to Be Contacted By Text Message and Email

*Imagine that a political organization wanted to remind you to vote just before Election Day. How would you prefer that they contact you?*
